
FOR IMMEDIATE RELEASE

February 8, 2021

Contact: Nate Alger, Grand Traverse County Administrator

Subject: Board of Commissioners February 10th Study Session

In 2020, Grand Traverse County took part for the first time in the National Community Survey (NCS). Great communities are partnerships of the government, private sector, community-based organizations, and residents, all geographically connected and working towards a common goal.

The NCS is a community survey that collects resident insights into ten categories of community livability. The February 10th Grand Traverse County Board of Commissioners Study Session will include a review and discussion of the 2020 NCS report.

According to the report, Grand Traverse County's quality of life is strong and tends to be similar to the national benchmarks. The report also gave insight into areas residents feel need improvement within the county.

To view the study session agenda or minutes, visit the Grand Traverse County [website](#). Members of the public who are interested in watching the study session live can do so on the Grand Traverse County Board of Commissioners [YouTube](#) page.

Anyone calling in to give public comment at the February 10th Grand Traverse County Board of Commissioners study session will be in the default setting of muted upon entry into the session.

If calling from a landline phone or cell phone, please dial "[Star]3" to raise your hand and request to be unmuted. After the chair recognizes you, you will then be able to dial "[Star]6" to unmute yourself.

Persons with disabilities which the foregoing opportunities for participation will not address should contact Lisa Emery at (231) 922-4780 or lemery@grandtraverse.org with questions or concerns.
